

# KT Tunstall - Uumannaq Song

Tom: D

Hold your fire <sup>Bm</sup>  
 I'm coming out and I'll tell you the truth <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 I was trying to raise my roof <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 Did you see it <sup>A</sup>  
 That I needed to prove <sup>G</sup> <sup>A</sup> <sup>Bm</sup>  
 That my stinger always stays <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 You said she's beautiful when she plays <sup>D</sup> <sup>E</sup> <sup>A</sup> <sup>Bm</sup>  
 Did I hit you in the proper place <sup>A</sup>  
 Suddenly

<sup>G</sup> <sup>A</sup> <sup>Gbm</sup>  
 I, oh well I could live in this town <sup>G</sup>  
 Five cold years before I <sup>A</sup> <sup>Gbm</sup>  
 Yes I could live in this town <sup>G</sup>  
 Before I head for home

**Bm D E (2x)**

Verse 2

It's my turn <sup>Bm</sup>  
 With the spotlight burning a hole <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 But my bird-heart's turning cold <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 As the temperature rises all around <sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>Bm</sup>  
 To the sound of a ticking bomb <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 And then it's not just showing off here <sup>D</sup> <sup>E</sup> <sup>Bm</sup>  
 You know there's something going on here <sup>D</sup> <sup>E</sup> <sup>A</sup>  
 Going on here <sup>A</sup>

Suddenly

<sup>G</sup> <sup>A</sup> <sup>Gbm</sup>  
 I, oh well I could live in this town <sup>G</sup>  
 Five cold years before I <sup>A</sup> <sup>Gbm</sup>  
 Yes I could live in this town <sup>G</sup>  
 Five cold years <sup>A</sup> <sup>Gbm</sup>  
 Yes I could live in this town <sup>G</sup>

Five cold years before I <sup>A</sup> <sup>Gbm</sup>  
 Well I could live in this town <sup>G</sup>  
 Before I head for home

Bridge  
 (mute)  
 And considered it odd <sup>Bm</sup>  
 That I ever stayed <sup>A</sup>  
 ever stayed <sup>Bm</sup>  
 That I ever stayed <sup>A</sup>  
 ever stayed <sup>Bm</sup>  
 That I ever stayed <sup>A</sup>  
 ever stayed <sup>Bm</sup>  
 That I ever stayed <sup>A</sup>  
 ever stayed <sup>Bm</sup>  
 That I ever stayed <sup>A</sup>  
 ever stayed <sup>Bm</sup>  
 You know that feeling you get <sup>E</sup> <sup>D</sup>  
 when you don't want to leave <sup>Bm</sup>  
 That feeling you get <sup>E</sup> <sup>D</sup>  
 when you don't want to leave <sup>Bm</sup>  
 That feeling when you don't want to leave <sup>Bm</sup>  
 Suddenly

<sup>G</sup> <sup>A</sup> <sup>Gbm</sup>  
 I, oh well I could live in this town <sup>G</sup>  
 Five cold years before I <sup>A</sup> <sup>Gbm</sup>  
 Yes I could live in this town <sup>G</sup>  
 Five cold years <sup>A</sup> <sup>Gbm</sup>  
 Yes I could live in this town <sup>G</sup>  
 Five cold years before I <sup>A</sup> <sup>Gbm</sup>  
 Well I could live in this town

Outro  
<sup>G</sup> <sup>A</sup> <sup>Gbm</sup> <sup>G</sup>  
 Uumannaq <sup>G</sup> <sup>A</sup> <sup>Gbm</sup> <sup>G</sup>  
 Uumannaq <sup>G</sup>  
 Before I head for home  
 (mute)  
 And considered it odd  
 That I ever stayed
