

## Kula Shaker - Hush

```
Hush, hush, you broke my heart but that was a dream now

Intro: C
                                                            Early in the morning,
One two three hah!
                                                           Late in the evening

[Primeira Parte]
                                                                                            Bb
                                                           Hush, hush, I thought I heard you calling my name now
                                                                                            Bb
Well, got a silly little girl, she's on my mind
                                                            Hush, hush, You broke my heart but that was a dream now
No doubt about it, she looks so fine
                                                           Hush, hush, I thought I heard you call my name now
She's the best girl that I ever had
Except that she's gonna make me feel so sad
                                                            Hush, hush, you broke my heart but that was a dream now
