

Kygo - Carry Me (feat. Julia Michaels)

```
Tom: C
 Like a kid and her teddy bear
  Like a leaf blowing in the air
 Could you carry me?
 Could you carry me?
 Like a flag after a war
 When you're gone or when you're first born
 Could you carry me?
 Could you carry me?
       C G D Em
'Cause I don't know how we
            C G D Em
How we got so far, you and \ensuremath{\mathsf{me}}
         C G D Em
Almost like there's oceans between us, us
So I need to know
Could you carry me?
Back into your heart again
 Could you carry me?
Right into your distant hands
 Could you carry me?
Right back where we started from
Could you carry me?
On and on and on, on, on, on
        С
On and on and on, on, on, on
On and on and on, on, on, on
Em C
On and on, could you carry me?
Back to where we started from
 'Member when we would dance all night
 Parking lots and velvet skies
```

Acordes

```
I was there for you
 And you were there for me
  Every time we would start a fight
             Em
 We'd make love 'til the morning light
 I was there for you
 And you were there for me
           G D
So I don't know how we
           C G D
How we got so far, you and me
           С
                 G D Em G D
Almost like there's oceans between us, us
So I need to know
Could you carry me?
Back into your heart again
 Could you carry me?
Right into your distant hands
 Could you carry me?
           Em
Right back where we started from
Could you carry me?
On and on and on, on, on, on
   C
On and on, could you carry me?
Back to where we started from
( C G D Em )
( C G D Em )
On and on and on, on, on, on
On and on, could you carry me?
Back to where we started from
