Intro: 2x: F G Am
                                                              Verso 2:
                                                                        F
Verso 1:
                                                              We were lovers on a wild ride
          F
                                                                G
                                                                        Am
We were lovers for the first time
                                                              Speeding for the finish line
                                                                                               G Am
  G
         Am
                                                              Come until the end of our time, yeah
Running all the red lights
                                      G Am
                                                                                                     G Am
                                                                       F
                                                              Started off as a wildfire, burning down the bridges to our
The middle finger was our peace sign, yeah
          F
                                                              empire
We were sipping on emotions
                                                                              F.
                                                                                                         G Am C
                                                              Our love was something they could admire, yeah, yeah
    G
          Am
Smoking and inhaling every moment
                                  G Am C
                                                              Pré-Refrão:
         F
It was reckless and we owned it, yeah, yeah
                                                                                         F
                                                              We were high and we were sober
Pré-Refrão:
                                                                       G
                                                                                     Am
                                                              We were under, we were over
We were high and we were sober
                      Am
                                                              We were young and now I'm older
         G
We were under, we were over
                                                                       Am
                                                              But I'd do it all again
We were young and now I'm older
                                                              Refrão:
         Am
But I'd do it all again
                                                               F
                                                              Getting drunk on a train track
Refrão:
                                                              G Am
                                                              Way back, when we tried our first cigarettes, oh
