

# Kygo - I See You (feat. Billy Raffoul)

Tom: G  
Intro: D Em Bm G

You're more than just a notch in my belt  
A story to tell  
The only thing on my mind  
And it's keeping me up at night  
I know you're making magic somewhere  
But not by yourself  
That might be the reason why  
It's keeping me up at night

I can smell you on the pillow where you used to lay  
And it's keeping me up at night  
And it's keeping me up

Another night, another strangers door  
Hoping when it opens I'll see you  
You

( D Em Bm G )  
( D Em Bm G )  
( Bm G D Em )

You're more than just a notch in my belt  
A story to tell  
The only thing on my mind  
It's obvious I'm not doing well

Do you see these eyes, when have you known me to cry?  
I'm just sitting here remembering how your lips taste  
And it's keeping me up at night  
And it's keeping me up

Another night, another strangers door  
Hoping when it opens I'll see you  
You

( D Em Bm G )  
( D Em Bm G )  
( Bm G D Em )

Wishing I could go back  
Wishing I could go back  
Wishing I could go back  
Wishing I could go back

To that night  
To that strangers door  
Knowing when it opened I'd see you  
You  
That I'd see you

( D Em Bm G )  
( D Em Bm G )  
( D Em Bm G )  
( D Em Bm G )
