

# Kygo - Stranger Things (feat. OneRepublic)

tom:  
 Gb (forma dos acordes no tom de F )  
 Capostrate na 1ª casa

Ah, stranger things  
 We're like, we're like a stranger things (very far)

We're stranger things (dream of places at)  
 'Cause that's just who we are

We used to run around this ghost town  
 Always thinking out loud  
 Are we gonna get out

I remember  
 We dream of places that we could go  
 Castles with the strange glow  
 People that we don't know

I remember

We left a life

That's ordinary from the start  
 We looked for stranger things

'Cause that's just who we are  
 Found me the edge of something beautiful and loud  
 Like I'm picturing now

Castles glitter under Spanish skies  
 But I'm just looking after you tonight  
 Snow white mountains in a foreign state  
 Tell me someday we'll get there

Someday  
 Someday

I see a Technicolor shadow  
 Underneath your window  
 Just in case you don't know

I can see it  
 You cast an unfamiliar day glow

Different than what I know

Shining like a halo

I can feel it

We turned our back on ordinary from the start  
 We looked for stranger things

'Cause that's just who we are  
 Found me the edge of something beautiful and loud  
 Show me the sky falling down

Castles glitter under Spanish skies  
 But I'm just looking after you tonight

Snow white mountains in a foreign state  
 Tell me someday we'll get there
