Tom: G

Intro: C Em C Em  
C Em C Em

C Em  
You'll find me in the lake  
C  
With the death I tried to fake  
Em  
My hands already blue  
C  
Holding photographs of you  
Em  
And you'll ask me what it is  
C  
Why I want to feel like this  
Em  
And I'll turn towards the sky  
C  
And I'll sink before your eyes

G  
But if I was to ask  
Em D  
My little love, my little one  
C Em  
Could you break my heart  
G D  
Could you have tried, could you have done?  
C Em  
To make me pay, make me pay,  
C Em B Em  
Make me pay  
C D C D  
To make me pay, for what I don't do  
C D C G D  
Make me pay, for how I loved you  
C Em C Em

Make me pay, make me pay, make me pay.

C Em  
You'll find me in the woods  
C  
Where the dead do what they should  
Em  
My arms already old  
C  
My eyes forever cold  
Em  
And they'll say I never left  
C  
That I called them as they slept  
Em  
That I haunted every tree  
C  
Til the forest sang with me  
G  
But if it all was true  
Em D C  
That I went mad, because of you  
Em  
Then finally you'd know  
G D  
And you could come and take me home  
C Em  
Take me home, take me home  
C Em B Em  
Take me home  
C D C D  
Take me home, and help me love you  
C D C G D  
Take me home, to where my heart moves  
C Em C Em  
Take me home, take me home, take me home
