[Verse 1]
Em                   C
Driftin' through the darkness
Am             G     A  B
Blinded by the rain
Em                   C
Don't know where I´m going
Am                    G     A  B
I just hope I´m not insane - again

[Chorus]
   Em        G       D       A

Em                 G
Find the truth within you,
            D           A
'Cause it's there to be shared.
       Em               G
You´ve got to believe in something,
             D                 A
But if that's nothing, don't be scared.
     Em              G
This world still needs heros,
                D             A
But if you're tempted just beware.
C      B
Just beware...

Not survive a single day.
Em                   C
If mind's an empty vessel
Am                          G   A B
To which we all must find a way to say...

[Chorus]
   Em        G       D       A
