 Woke up with a headache Ab Bbm
 Db
 And some neck pain

 Ab Bbm
 Check out in the fast lane
 Db
 The lady asked if I've been
 Having me a nice day
 Ab Bbm
 I said that I'm fine
 Db
 Guess that I'm a liar
 'Cause
 Ab
 Yeah I'm fine
 Bbm
 If "F" is for feeling overwhelmed
 Db
 And "I" is for "I'm not alright"
 Ab
 Yeah I'm fine
 Bbm
 If "N" is for not being able to sleep
 Db
 E for every night
 Ab
 Yeah I'm fine
 Bbm
 Finally feeling the pressure of
 Db
 Keeping my feelings inside
 Ab
 Yeah I'm fine
 Bbm
 Well maybe I'm not
 Db
 And I just need to tell someone
 I'm not alright
 Ab Bbm
 Do you wonder how it'd feel to
 Db
 Let somebody in to finally see the real you
 Me too
 Ab Bbm
 I hide behind a mask
 Db
 But it's getting pretty see through
 Ab
 'Cause I'm so tired of trying to pretend like
 Bbm
 I can do it on my own
 Db
 When in the end I'm

Acordes

Sick and tired of feeling alone
 Ab Bbm
 I wish there was a way that
 Db
 You could read my mind
 When I say I'm fine because
 Ab
 Yeah I'm fine
 Bbm
 If F is for feeling overwhelmed
 Db
 And I is for "I'm not alright"
 Ab
 Yeah I'm fine
 Bbm
 If N is for not being able to sleep
 Db
 E for every night
 Ab
 Yeah I'm fine
 Bbm
 Finally feeling the pressure of
 Db
 Keeping my feelings inside
 Ab
 Yeah I'm fine
 Bbm
 Well maybe I'm not
 Db
 And I just need to tell someone
 I'm not alright
 (Ab Bbm Db)
 (Ab Bbm)
 Maybe I should tell someone I'm not
 Db
 Oh tell someone I'm not alright
 Ab Bbm
 Db
 'Cause lately I'm saying I'm fine
 Ab Bbm
 Db
 And I know I'm lying 'cause
 Ab
 Yeah I'm fine
 Bbm
 If F is for feeling overwhelmed
 Db
 And I is for I'm not alright
 Ab
 Yeah I'm fine
 Bbm
 If N is for not being able to sleep
 Db
 E for every night
 Ab
 Yeah I'm fine
 Bbm
 Finally feeling the pressure of
 Db
 Keeping my feelings inside

 Yeah I'm fine
 Bbm
 Well maybe I'm not
