

Kyndal Inskeep - Parachute

tom:

Am
Always been afraid that love was only make believe
F
Every choice I've made seems to take the best of me away
G
So there is nothing left to say
Am
I was a fool
Made up some rules to stay here on the ground
F
It's always been when will it end
C
But then you came around and the next step
G
Has me staring at the edge
Am
Who knew
F
I'd be falling like I am with you
C
Heart's up in my throat that's what you do
G
Love is pretty scary when it's true
Am
And oh-oh we know
F
Every step is like walking on a tight rope
C
Gravity is begging me to let go
G
Love is pretty scary when it's true
Am
Afraid of height but you're my parachute
Am
Ever since we met
You've shown me how it's supposed to be
F
You carry on my mess
C
You know how much that means to me now
And somehow (and somehow)

G
We're high above the clouds
Oh-oh Am
Who knew
F
I'd be falling like I am with you
C
Heart's up in my throat that's what you do
G
Love is pretty scary when it's true
Am
And oh-oh we know
F
Every step is like walking on a tight rope
C
Gravity is begging me to let go
G
Love is pretty scary when it's true
Am
Afraid of height but you're my parachute
F
Afraid of height but you're my parachute
C
Might as well sit back and enjoy the view
G
Oh-oh-oh-oh
Am
You love me
Oh, you love me
F
You love me
Oh, you love me
C
You love me
G
Oh, you love me
Am
Afraid of height but you're my parachute
You love me
Oh, you love me
F
You love me
Oh, you love me
C
You love me
G
Oh, you love me
Am
Afraid of height but you're my parachute
