

L7 - Pretend We're Dead

Tom: E

Riff:

Lead:

What's up with what's going down
in every city, in every town
cramping styles is the plan
they've got in the palm of their big hands

(chorus)

when we pretend that we're dead
when we pretend that we're dead
they can't hear a word we've said
when we pretend that we're dead

turn the tables with our unity
they're neither moral nor majority
wake up and smell the coffee
or just say no to individuality

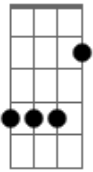

(chorus)

c'mon c'mon

(chorus)

Acordes
