

La La Land - Cantando Estações - Start a Fire

Tom: Db

I don't know why I keep moving my body
 I don't know if this is wrong or if it's right
 I don't know if there's a beat, or something's taking over me
 And I just know I'll feel so good tonight
 I don't know what your name is but I like it
 I've been thinking 'bout some things I wanna try
 I don't know what you came to do, but I wanna do it with you
 And I just know I'll feel so good tonight

Oh, if we keep on dancing
 Take our rhythm to new heights
 Feel the heat of passion, baby
 Light up the night
 We could start a fire
 Come on, let it burn baby
 We could start a fire
 Let the tables turn baby
 We could start a fire
 I just know I feel so good

Don't you know I feel so good
 I just know I feel so good
 Tonight
 I don't care if this turns into a riot
 Let's get reckless, tear this place down to the floor
 Turn the music way up loud
 Can't nobody stop us now
 I just know I feel so good tonight
 I just know I feel so good tonight

We could start a fire
 Come on, let it burn baby
 We could start a fire
 Let the tables turn baby
 We could start a fire
 I just know I feel so good
 Don't you know I feel so good
 Don't you know, don't you know?
 Tonight
