

La Mojigata - Bajada 2005 "Mudanzas"

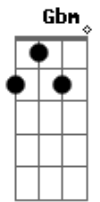

tom:
 A
 Ay, qué soledad!
 La libertad viene en frasquito
 Comenta el Uruguay
 Mientras sonrío, ahoga un grito
 Qué triste que es saber

Que le mentimos a uno mismo
 Cultura no es un mate, es tu cabeza
 No hay mate sin un cebador
 No hay tele sin espectador
 No hay Carnaval que no ande mal
 Comiendo arroz, vendiendo bacanal
 Cómo demoran las mudanzas en la cabeza
