

La Roux - Cover My Eyes

Tom: Gb

Ebm B
 No wonder I'm scared
 Db
 To look in your eyes
 Ebm B
 You've turned me away
 Db
 So many times
 Ebm B
 You can take it away
 Db
 At any given moment
 Ebm B
 It's hard to believe
 Db
 While you're in this disguise
 B Ebm
 So would you hold me please
 Db
 I'm trying hard to breathe
 Abm
 I'm just surviving
 B Ebm
 So would you hold me please
 Db
 I'm trying hard to breathe
 Abm
 Stop me from crying
 Db B
 When I see you walking with her
 Gb Ebm
 I have to cover my eyes
 Db B
 Every time you leave with her
 Gb Ebm
 Something inside me dies
 Db

Something inside of me dies

Ebm B
 No wonder it hurts
 Db
 To sit by your side
 Ebm B
 There's a different song
 Db
 I can play you tonight
 Ebm B
 We can break the pattern
 Db
 We can change the colour
 Ebm B
 You don't need to worry
 Db
 About the others
 B Ebm
 So would you hold me please
 Db
 I'm trying hard to breathe
 Abm
 I'm just surviving
 B Ebm
 So would you hold me please
 Db
 I'm trying hard to breathe
 Abm
 Stop me from crying
 Db B
 When I see you walking with her
 Gb Ebm
 I have to cover my eyes
 Db B
 Every time you leave with her
 Gb Ebm
 Something inside me dies
 Db
 Something inside of me dies
