 Ab Gb Eb E Eb

Why the fuck does beauty hurt?
 Why the fuck does beauty lead to pain?
 In both ways it ends in pain

Eb E Eb Ab Gb
 Anyway - give me your beauty now
 Eb E Eb Ab Gb
 Anyway - blow my veins
 Eb E Eb Ab Gb
 Curse me and riddle me
 Eb E Eb Ab Gb
 The road to pain is paved my beauty
 Eb E Eb
 Oh - you incredible road
 Eb E Eb
 I don't want to walk 'where else
 Eb E Eb
 I can't beat you - since i can't beat beauty
 Eb E Eb
 I only can scream in ecstasy:
 Eb E Eb Ab Gb
 Praise the beauty and praise the pain
 Eb E Eb Ab Gb
 Double feature beauty is double feature pain
 Eb E Eb Ab Gb
 Wheter i can take it
 Eb E Eb Ab Gb
 Or i'm damned to bleed
 Eb E Eb Ab Gb
 And lodd can taste so sweet

(Eb)

Eb C
 Praise teh beauty and praise the pain

(Eb C Eb)

Eb E Eb Ab Gb
 Things to watch from afar
 Eb E Eb Ab Gb
 Are simply not to be touched
 Eb E Eb Ab Gb

How much can you destroy
 Eb E Eb Ab Gb
 By getting yet to close
 Eb E Eb
 Oh - you incredible road
 Eb E Eb

I don't want to walk 'where else
 Eb E Eb

I can't beat you - since i can't beat beauty
 Eb E Eb
 I only can scream in ecstasy:
 Eb E Eb Ab Gb
 Praise the beauty and praise the pain
 Eb E Eb Ab Gb
 Double feature beauty is double feature pain
 Eb E Eb Ab Gb
 Wheter i can take it
 Eb E Eb Ab Gb
 Or i'm damned to bleed
 Eb E Eb Ab Gb
 And lodd can taste so sweet
 So beautiful your body
 So beautiful your face
 Your voice is tender soft
 And velvet is your skin
 Eb

Only words are a little week
 Eb
 Since your mind is kind of narrow
 Eb
 As your movements are a little funny
 Eb
 Since you are trying to fake your nature
 Eb
 Trying to be a star
 Eb
 Growing in shallow adaptations
 Eb
 By loosing your nature given power
 The grace of a woman

Eb C
 Praise the beauty and praise the pain
 Eb C
 Praise the beauty and praise the pain
 Eb C
 Praise the beauty and praise the pain

(Eb C Eb)
