

# Lacuna Coil - Falling Again

tom:

Am

I lay looking my hands

I search in these lines

I've not the answer

I'm crying and I don't know

Watching the sky

I search an answer

I'm free, free to be

I'm not another liar

I just wanna be myself, myself

And now the beat inside me is a sort of a cold breeze

And I've never any feeling inside, but

Ruining me, bring my body, carry it into another world

I know I live, but like a stone I'm falling down

I pray, looking into the sky

I can feel this rain

Right now it's falling on me

Fly, I just want to fly

Life is all mine

Some days I cry alone

But I know I'm not the only one

I'm here, another day is gone, oh-oh

I don't wanna die

Please be there when I'll arrive

Don't cry, please

And now the beat inside me is a sort of a cold breeze

And I've never any feeling inside, but

Ruining me, bring my body, carry it into another world

I know I live, but like a stone I'm falling down

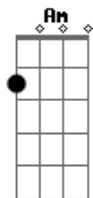

And now the beat inside me is a sort of a cold breeze

And I've never any feeling inside, but

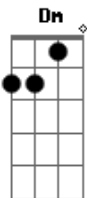

Ruining me, bring my body, carry it into another world

I know I live, but like a stone I'm falling
