

# Lacuna Coil - Losing My Religion

Tom: C

Oh life, it's bigger  
 It's bigger than you  
 And you are not me  
 The lengths that I will go to  
 The distance in your eyes  
 (The distance in your eyes)  
 Oh no, I've said too much  
 I set it up  
 (I've set it up)

That's me in the corner  
 That's me in the spot light  
 I'm losing my religion  
 Trying to keep up a with you  
 And I don't know if I can do it  
 Oh no, I've said too much  
 I haven't said enough

Refrão:

I thought that I heard you laughing  
 I thought that I heard you sing  
 I think I thought I saw you try

Every whisper  
 Of every waking hour  
 I'm choosing my confessions  
 Trying to keep an eye on you

Like a hurt lost and blinded fool  
 Oh no I've said too much  
 I set it up

Refrão:

I thought that I heard you laughing  
 I thought that I heard you sing  
 I think I thought I saw you try

But that was just a dream  
 Try, cry, why  
 I think I thought I saw you try

Consider this  
 Consider this, the hint of the century  
 Consider this, the slip  
 That brought me to my knees failed  
 What if all these fantasies come  
 Flailing around  
 Now I've said, and now I've said too much

I thought that I heard you laughing  
 I thought that I heard you sing  
 I think I thought I saw you try

But that was just a dream

Try, cry, why  
 That was just a dream, just a dream, just a dream  
 ( A Am A Am A Am )
