

# Lado Alado - Dó de Si

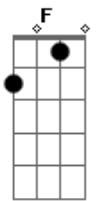

Tom: F

**Dm7**  
Do fundo, uma voz veio dizer adeus  
**Bb6 B A7 A7**  
E apenas a esperança permaneceu  
**Dm7 Bb7**  
Dançando no seio de um vendaval  
**Bb6 B A7 A7**  
Confiando estar acima de todo mal

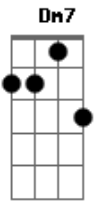

**D7 Gm7**  
Como se fosse as plumas da fantasia  
**C7 F7**  
De um arlequim perdido na folia  
**Bb7 A7**  
Como se fosse as penas

**Ab7 Gm7**  
Do coçar de um curumim  
Esperando o temporal partir  
**C7 F7**  
Como as penas da asa de um querubim  
**Bb7 A7 A7**  
Carregando toda tristeza em si  
**Dm7 Dm7 Bb7 A7**  
Ressoam risos sem alegria  
**Dm7 Dm7 Bb7 A7**  
De um circo sempre de partida  
**Dm7 Dm7 Bb7**  
Os gritos de uma tribo  
**A7 Dm7 Dm7 Bb7 A7 Dm7**  
E os sinos de um paraíso partido
