

Lado Alado - O Menino Ri

Tom: B

O menino ri e é como água
 Que bebe a mágoa

Mastiga a dor
 Saudade sente

Ela é menina
 Ela se deita e dorme nua

O menino ri, rabisca a dor
 O rosto desenhado

Por uma ilusão

Que aquece o moço

E é quase festa
 Infesta a boca um gosto doce

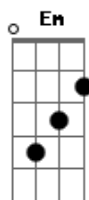

Mas por que ele ri com tanta calma
 Lama calçada

O pé descalço
 O poço é fundo

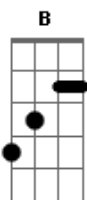

Mas bebe a mágoa
 E então inventa a felicidade

De onde não sei, de onde não sei, de onde não sei
