

Lado Alado - Os Ponteiros

Tom: D

Bm7 C#m7- **Gb7**
Os ponteiros marcam quase duas horas

A cidade dorme e acorda
A madrugada corre dentro, corre fora
Gb7 **Bm7**

E cada qual na sua roda

B7 **Em**
Nas ruas eu vejo nomes

Eu vejo caras

Eu vejo homens

Eu vejo placas

Bm7 **Em** **Gb7** **Bm7**

Eu vejo palcos, portas, alvos e marcas

Bm7 C#m7- **Gb7**
Os ponteiros marcam juntos sul e norte

Na cidade o caos e a ordem
Na madrugada vem o azar ou vem a sorte
Gb7 **Bm7**

E cada qual ou desce ou sobe

B7 **Em**
Nas ruas eu vejo postes

Eu vejo muros

Eu vejo becos

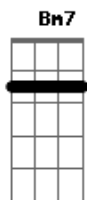

Eu vejo punhos

Bm7 **Em** **Gb7** **Bm7**
Eu vejo setas e sonhos soltos no mundo
