

# Lady Antebellum - As You Turn Away

Tom: **F**

**F**  
Standing face to face

Wrapped in your embrace  
I Don't wanna **Bb** let you go  
But you're already gone **F**

**F**  
Now you kiss my cheek

Soft and bittersweet  
I can read it in your eyes **Bb**  
Baby, this is our goodbye **F**

Refrão:  
**Dm**  
Nothing more to say  
Nothing left to break **Am**  
I keep reaching out for you **Bb**  
Hoping you might stay **F**

**Dm**  
Nothing more to give  
Nothing left to take **Am**  
I keep reaching out for you **Bb**  
Reaching out for you **C**

As you turn away **F**  
( **F** )

**F**  
Let go of my hand

So I can feel again  
Nothing's going to hurt as much **Bb**  
As that final touch **F**

**F**  
No we can't be friends

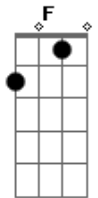

Cause I couldn't take seeing you  
And knowing where we've been **Bb**  
I hope you understand **F**

(Refrão)

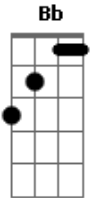

**Dm**  
One step my heart is breaking  
**Am**  
One more my hands are shaking  
**Dm**  
The door is closing  
**F** **C**  
And I just can't change it

**Dm**  
Nothing more to say  
Nothing left to break **Am**
