

Lady Antebellum - Bartender

Tom: D

Tom: B

m

Tuning: Standard

Intro: 2x

"8 o'clock?"

"All my girls?"

Repeat the same order for the rest of the verse

Refrão:

What Im really needing now, is a double shot of crown, chase
that disco ball around till i don't remember

Go until they cut me off, wanna get a little lost, in the
noise in the lights, hey bartender

Pour em hot tonight, till the party and the music and the
truth collide

bring it till his memory fades away, hey bartender

"spin me round?"

"Tonight?"

What Im really needing now, is a double shot of crown, chase
that disco ball around till i don't remember

Go until they cut me off, wanna get a little lost, in the
noise in the lights, hey bartender

Pour em hot tonight, till the party and the music and the
truth collide

bring it till his memory fades away, hey bartender

Passagem:

I'm feelin that buzz i'm ready to rock, ain't no way i'm gonna
tell you to stop

so pour that thing up to the top, I'm comin in hot

Hey bartender

SOLO:
G D A Bm
G D A Bm

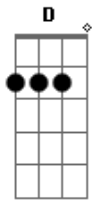

What Im really needing now, is a double shot of crown, chase
that disco ball around till i don't remember

Go until they cut me off, wanna get a little lost, in the
noise in the lights, hey bartender

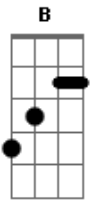

Pour em hot tonight, till the party and the music and the
truth collide

bring it till his memory fades away, hey bartender
