

Lady Antebellum - Can't Take My Eyes Off You

```
Tom: G
   (intro) G Em Am D
                                   ? ?? ???
I know that the bridges that I've burned
Along the way
Have left me with these walls and these scars
That won't go away
F E7 Am7 Am7 Am7 Am
And opening up has always been the hardest thing
Until you came
(refrão)
So lay here beside me just hold me and don't let go
                           Am
This feelin' I'm feelin' is somethin' I've never known
And I just can't take my eyes off you F
And I just can't take my eyes off you
I love when you tell me that I'm pretty
When I just wake up
```

```
And I love how you tease me when I'm moody
                Am D
But it's never too much
          E7 Am Am7 Am7 Am7
I'm falling fast but the truth is I'm not scared at all
You climbed my walls
(refrão)
So lay here beside me just hold me and don't let go
                         Am
This feelin' I'm feelin' is somethin' I've never known
                   Em
And I just can't take my eyes off you
                   Em Ab7 F
And I just can't take my eyes off you
Off you
DDA
Off you
                         Bm
So lay here beside me just hold me and don't let go
                             Bm
And oh this feelin' I'm feelin' is somethin' I've never known
                        Gbm
And I just can't take my eyes off you
