

Lady Antebellum - Dancing Away With My Heart

Tom: **E**

E
I finally asked you to dance

A
On the last slow song

E
And beneath the moon that was really a disco ball

Gbm Dbm A B
I can still feel my head on your shoulder

Gbm Dbm A B
Hoping that song would never be over

E
I haven't seen you in ages

E
Sometimes I find myself

A B
Wondering where you are

E
For me you'll always be 18

Gbm B E
And beautiful and dancing away with my heart

E
I brushed your curls back so I could see your eyes

E
And the way you moved me was like you were in my mind

Gbm Dbm A B
I can still feel you lean into kiss me

Gbm Dbm A B
I can't help but wonder if you ever miss me

E
I haven't seen you in ages

E
Sometimes I find myself

A B
Wondering where you are

E
For me you'll always be 18

Gbm B E
And beautiful and dancing away with my heart

Gbm
Oh you headed out to college

E
At the end of that summer when we lost touch

Gbm A
I guess I didn't realize even at that moment we lost so much
