

Lady Antebellum - Dancing Away With My Heart

Tom: E

I finally asked you to dance
 On the last slow song
 And beneath the moon that was really a disco ball
 I can still feel my head on your shoulder
 Hoping that song would never be over

I haven't seen you in ages
 Sometimes I find myself
 Wondering where you are
 For me you'll always be 18
 And beautiful and dancing away with my heart

I brushed your curls back so I could see your eyes
 And the way you moved me was like you were in my mind
 I can still feel you lean into kiss me
 I can't help but wonder if you ever miss me

I haven't seen you in ages
 Sometimes I find myself
 Wondering where you are
 For me you'll always be 18
 And beautiful and dancing away with my heart

Oh you headed out to college
 At the end of that summer when we lost touch
 I guess I didn't realize even at that moment we lost so much
