(verse 1)

The first time that i saw you, lookin' like you did

We were young, we were restless, just two clueless kids

But if i knew then, what i know now, i'd fall in love

(verse 2)

On a bus in chicago, three rows to the left

You know my heart was racing for you, but we never even met

But if i knew then, what i know now, i'd fall in love

(refrão)

'cause love only comes, once in a while

Knocks on your door and throws you a smile

And takes every breath, leaves every scar

Speaks to your soul, and sings to your heart

And if i knew then, what i know now, i'd fall in love

(verse 3)

On a sunny night in august, backseat of my car

Instead of tryin' to get to know you, i took it way too far

But if i knew then, what i know now, i'd fall in love, oh

(refrão)

'cause love only comes, once in a while

Knocks on your door and throws you a smile

And takes every breath, leaves every scar

Speaks to your soul, and sings to your heart

And if i knew then, what i know now, i'd fall in love

(bridge)

And oh i used up a lot of chances, i can't get them back

But if again it comes callin', i'm gonna make it last

(refrão)

'cause love only comes, once in a while

It knocks on your door and throws you a smile

And takes every breath, leaves every scar

Speaks to your soul, and sings to your heart

And if i knew then, what i know now

Whoa, if i knew then, what i know now

(outro)

i'd fall in love.
