 Intro:

Verse 1:  
 Well this heart of mine  
 Its been hardened like a stone  
 It might take some time  
 To get back what is gone  
 But Im movin on  
 And you dont hold my dreams  
 Like you did before  
 When I would curse your name

Verse 2:  
 Well I heard the news  
 That you were back in town  
 And just passin through  
 To clean your lost and found  
 But Im over you  
 And there aint nothin that  
 You could say or do  
 To take what you did back

Bridge:  
 You got nerve to waltz right in  
 And think whats mine is yours again

Chorus:  
 Ive been doin fine without you  
 Forgettin all the love we once knew  
 Girl I aint the one that slammed that door  
 Now you see a change of thinkin

But I aint got a heart for breakin  
 So go and pick your bags up off my floor  
 Cause love dont live here anymore  
 Whoa no

Verse 3:  
 Well baby you can try  
 To tell me how it is  
 And try to justify  
 Everything you did  
 But honey Im no fool  
 And Ive been down this road  
 Too many times with you  
 I think its best you go

Bridge:  
 I got one thing left to say  
 Is you can lay in the bed youve made

Chorus:  
 Cause Ive been doin fine without you  
 Forgettin all the love we once knew  
 Girl I aint the one that slammed that door (Whoa sugar no)  
 Now you see a change of thinkin  
 But I aint got a heart for breakin  
 So go and pick your bags up off my floor  
 Cause love dont live here anymore

Whoa no, that love dont live here anymore

Outro:  
 (Repeat intro till end)

Whoa no no!  
 Sugar no no!  
 You dont live here anymore  
 Love dont live here anymore  
 Since you walked out of my door  
 Love dont live here, love dont live here, no!  
 Love don't live here anymore
