

Lady Antebellum - Perfect Day

Tom: E

(verse 1)

E B A
 Went walking through town just the other day with nothing'
 much to do

E B A
 As the sun came breakin' down through the clouds, I never seen
 the sky so blue

E B A
 I saw a cajun man with a red guitar singing on the side of the
 street

E B A
 I threw a handful of change in his beat up case and said play
 me a country beat
 and it sounded like

(verse 2)

E B A
 Met up with some friends outside of town, we were headed
 towards the lake

E B A
 I hopped into the back of a jacked up jeep and felt the wind
 upon my face

E B A
 We got to the spot and the sun was hot, everybody was feelin'
 fine

E B A
 So we jumped on in for a midday swim and then we lost all
 track of time

(refrão)

E B A
 It was the perfect day, what I'd give if I could find a way to
 Stay, lost in this moment

E B A
 Now, ain't worried about tomorrow
 When you're busy livin' in a perfect day (E B A)

(verse 3)

E B A
 As the moon came out and the fire burned, everybody was
 singing' along

E B A
 To some Ramblin' Man a little Curtis Loew and all them feel
 good songs

E B A E
 We danced all night without a care, no place we'd rather be
 wild and free

E
 Cause these are the days we'll talk about, when we lived so
 wild and free

(refrão)

(coda)

A E
 We were sittin' in the sand as he grabbed my hand and then
 leaned in for a kiss

A E
 I couldn't help but think with the stars above it don't get
 much better than this

(outro)

E B A
 It was the perfect day, what I'd give if I could find a way to
 Stay, lost in this moment

E B A
 Now, ain't worried about tomorrow

B E B A
 When you're busy livin, feels like dreamin', slowly drifting,
 through this perfect day.

E B A
