

Lady Antebellum - When You Got a Good Thing

Tom: Ab

(com acordes na forma de F)
 Capotraste na 3ª casa
 Intro:

Everybody keeps tellin' me I'm such a lucky man
 Lookin' at you standin' there I know I am
 Barefooted beauty with eyes that blue
 The sunshine sure looks good on you, I swear

Oh, I can't believe I finally found you, baby
 Happy ever after, after all this time
 Oh, there's gonna be some ups and downs
 But with you to wrap my arms around, I'm fine

So, baby, hold on tight, don't let go
 Hold onto the love we're makin'
 'Cause baby when the ground starts shakin'
 You gotta know when you've got a good thing

You know you keep on bringin' out the best in me
 And I need you now even more than the air I breathe
 You can make me laugh when I wanna cry

This will last forever I just know, I know

So, baby, hold on tight, don't let go
 Hold onto the love we're makin'
 'Cause baby when the ground starts shakin'
 You gotta know when you've got a good thing

We got a good thing, baby,
 woah

(D G Em7 D)

So, hold on tight, baby, don't let go
 Hold onto the love we're makin'
 'Cause baby, when the ground starts shakin'
 You gotta know, oh, you gotta know
 Oh you gotta know, you gotta know when you got a good thing

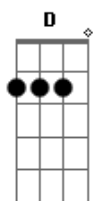

Mmmh,

We got a good thing, baby, oh, oh

(C D Em7) (5x)

Woah, woah
