

# Lady Gaga - Alice

tom:

Bm

Bm

Gbm

My name isn't Alice

D

But I'll keep looking, I'll keep looking for

E

Wonderland

Bm

Gbm

My name isn't Alice

D

But I'll keep looking, I'll keep looking for

E

Wonderland, Wonderland

( Bm Gbm D E )

Ah, ah, ah, ah

Ah, ah, ah, ah (ah)

Set me free (ah-ah-ah)

Ah, ah, ah, ah

Ah, ah, ah, ah (ah)

Set me free (ah-ah-ah)

Could you pull me out of this alive?

E

Ah, ah, ah, ah, ah, ah

Where's my body? I'm stuck in my mind

E

Ah, ah, ah, ah, ah, ah

(Oh ma-ma-ma, oh ma-ma-ma)

I'm tired of screaming

(Oh-ma-ma-ma, oh-ma-ma-ma)

At the top of my lungs

(Oh m-mother, oh m-mother)

I'm in the hole, I'm falling down, down

E

So down, down

My name isn't Alice

D

But I'll keep looking,

E

I'll keep looking for Wonderland

Bm

Gbm

My name isn't Alice

D

But I'll keep looking

E

I'll keep looking for Wonderland, Wonderland

Take me home

D E

Take me to Wonderland, Wonderland

Take me home

D E

Take me to Wonderland, Wonderland

Sick and tired of waking up

Screaming at the top of my lungs

Think I might've just left myself behind

Maestro, play me your symphony

I will listen to anything

Take me on a trip, DJ, free my mind

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland, Wonderland

Take me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, Wonderland

Ah, ah, ah, ah

Ah, ah, ah, ah ah

Set me free ah-ah-ah

Ah, ah, ah, ah

Ah, ah, ah, ah ah

Set me free ah-ah-ah
