

# Lady Gaga - Artpop

Tom: F

**Dm**  
Come to me, in all your glamour, and **Bb**  
cruelty  
Just do that thing that you do  
**C** **Dm**  
And I'll undress you

**Dm** **Bb**  
Give it time, sometimes the simplest move is right  
The melody that you choose  
**C** **Dm**  
Can rescue you?

**Dm** **Bb**  
A hybrid can withstand these things  
My heart can beat with bricks and strings  
**C** **Dm**  
My artpop could mean anything

Refrão:

**Dm**  
We could, we could, belong together (artpop)  
**Bb**  
We could, we could, belong together (artpop)  
**F** **C**  
We could, we could, belong together (artpop)  
**Dm**  
ARTPOP, ARTPOP

**Dm** **Bb**  
Come to me, without a sub-tech and fantasy  
Just do that thing that you do  
**C** **Dm**  
For my love is you

**Dm** **Bb**  
Lover's kites are flown on beaches for public sight  
The color pallete you choose  
**C** **Dm**  
And profit you

**Dm** **Bb**  
A hybrid can withstand these things  
My heart can beat with bricks and strings  
**C** **Dm**  
My artpop could mean anything

**Dm** **Bb**  
Could try to sell you out or I  
Could show all the reasons why  
**F** **C** **Dm**  
My artpop could mean anything

Refrão:

**Dm**  
We could, we could, belong together (artpop)  
**Bb**  
We could, we could, belong together (artpop)  
**F** **C**  
We could, we could, belong together (artpop)  
**Dm**  
ARTPOP, ARTPOP

**Dm** **Bb**  
Brushes of darkness won't help you create your destiny in a  
self

But Artpop could mean anything  
**C** **Dm**

Anything  
**Dm** **Bb**  
I try to sell myself, but I am really laughing  
**F**  
Because I just love the music not the bling  
**C** **Dm**  
Music not the bling

Refrão:

**Dm**  
We could, we could, belong together (artpop)  
**Bb**  
We could, we could, belong together (artpop)  
**F** **C**  
We could, we could, belong together (artpop)  
**Dm**  
ARTPOP, ARTPOP

**Dm**  
We could, we could, belong together (artpop)  
**Bb**  
We could, we could, belong together (artpop)  
**F** **C**  
We could, we could, belong together (artpop)  
**Dm**  
ARTPOP, ARTPOP

Free my mind, ARTPOP

You make my heart stop

## Acordes
