

Lady Gaga - Blade Of Grass

tom:

Lovers kiss in a garden made of thorns
 Traces of lonely words, illusions torn

[Pre-Chorus]

You said, "How does a man like me love a woman like you?"
 I said, "Hold me until I die and I'll make you brand new"

[Chorus]

Come on and wrap that blade of grass
 Around my finger like a cast
 'Cause even though the church burned down
 I'll be your queen without a crown
 I've been so lonely in this field
 Fightin' a battle with no shield
 Come on and wrap that blade of grass
 And we'll make it last

[Verse 2]

This is the lawn of memories I mourn
 I fall into your eyes, shelter from storm

[Pre-Chorus]

You said, "How does a man like me love a woman like you?"
 I said, "Hold me until I die and I'll make you brand new"

[Chorus]

Come on and wrap that blade of grass
 Around my finger like a cast
 'Cause even though the church burned down
 I'll be your queen without a crown

I've been so lonely in this field
 Fightin' a battle with no shield
 Come on and wrap that blade of grass
 And we'll make it last
 Come on and wrap that blade of grass
 And we'll make it last

[Bridge]

I'll give you something
 Yeah, it's no diamond ring
 The air that I'm breathing
 Forever's not enough
 A song we'll both sing
 Yeah, it's not the same thing
 Yeah, it's not the same thing
 Forever's not enough

[Chorus]

Come on and wrap that blade of grass
 Around my finger like a cast
 'Cause even though the church burned down
 I'll be your queen without a crown
 I've been so lonely in this field
 Fightin' a battle with no shield
 Come on and wrap that blade of grass
 Come on and wrap that blade of grass
 Come on and wrap that blade of grass
 And we'll make it last
 Come on and wrap that blade of grass
 And we'll make it last
