

# Lady Gaga - Brown Eyes

Tom: Bb

(intro 2x) Bb Dm Eb Cm

(verse 1)

In your <sup>Bb</sup> brown eyes, <sup>Dm</sup> walked away  
 In your <sup>Eb</sup> brown eyes, <sup>Ebm</sup> couldn't stay  
 In your <sup>Bb</sup> brown eyes, <sup>Dm</sup> you watch her go  
 Then <sup>Eb</sup> turn the <sup>Ebm</sup> record on and wonder what went wrong, <sup>F</sup> what went wrong

(chorus)

If <sup>Bb</sup> everything was <sup>Dm</sup> everything, but <sup>Eb</sup> everything is <sup>Ebm</sup> over  
 Everything <sup>Bb</sup> could be <sup>Dm</sup> everything, if <sup>Eb</sup> only we were <sup>Ebm</sup> older  
 Guess <sup>Bb</sup> it's just a <sup>Dm</sup> silly song about you <sup>Eb</sup>  
 And <sup>Ebm</sup> how I <sup>Bb</sup> lost you and your brown eyes

(verse 2)

In your <sup>Bb</sup> brown eyes, I was <sup>Dm</sup> feeling <sup>Ebm</sup> low

Cause the brown eyes, and you'll never know

<sup>Bb</sup> Got some brown eyes, but I <sup>Dm</sup> saw her face  
<sup>Eb</sup> I knew that it was wrong, so baby <sup>Ebm</sup> turn the record on, <sup>F</sup> play that song

(repeat chorus)

(chorus 2)

<sup>Bb</sup> Everything was <sup>Dm</sup> everything, but baby <sup>Eb</sup> it's the <sup>Ebm</sup> last show  
 Everything <sup>Bb</sup> could be <sup>Dm</sup> everything, but <sup>Eb</sup> it's time to say <sup>Ebm</sup> goodbye

<sup>Ebm</sup> So get your last fix and your last hit, grab your old, go with the new trix

<sup>Eb</sup> Honey, yeah, It's no <sup>Dm</sup> surprise that I got <sup>Ebm</sup> lost in your <sup>F</sup> brown eyes

<sup>Ebm</sup> In your brown eyes <sup>F</sup>  
<sup>Eb</sup> Broooooown, broooown eyes <sup>F</sup>  
<sup>Ebm</sup> In your brown eyes <sup>F</sup>  
<sup>Eb</sup> Broooooown, broooown eyes <sup>F</sup>

## Acordes
