

Lady Gaga - Captivated

Tom: Eb

One look and I'm done
 One glance from your eyes
 And I'm captivated
 The taste of your skin
 The warmth of your hungry lips
 Has me so taken and I
 Love the way you can make me dance
 From miles away
 When I'm with you I'm so sedated
 I'm captivated by you
 You're just like the wind 'cuz
 Everything moves away when you're around it
 The sun is just like the sound of
 your voice in the morning
 When you light my world up and I

Love the way you can make me dance From miles away
 When I'm with you I'm never jaded,
 I'm captivated
 Oh,
 I'll never stop believing
 In this crazy love we're leading
 Oh, sugar,
 Hold me closer,
 Make me sweeter,
 I need ya,
 I love you
 So, please, show me that smile
 Make me laugh for just a little while
 Then breathe me one breath
 I only need one to fill the emptiness
 Love the way you can make me dance
 From miles away
 It's been so long but now,
 I've waited and I'm captivated
