

Lady Gaga - Die With A Smile (feat. Bruno Mars)

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa

Ooh
I, I just woke up from a dream
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized
Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like it's the last night
Like it's the last night
If the world was ending, I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending, I'd wanna be next to you
Woo-oooh
Ooh, lost
Lost in the words that we scream
I don't even wanna do this anymore
'Cause you already know what you mean to me
And our love's the only war worth fighting for

Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like it's the last night
Like it's the last night
If the world was ending, I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending, I'd wanna be next to you
Right next to you
Next to you
Right next to you
Oh-oh-oh
(Am D Bm Em)
(Am D Bm Em)
If the world was ending, I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending, I'd wanna be next to you
If the world was ending, I'd wanna be next to you
Ooh, ooh
I'd wanna be next to you
