

Lady Gaga - Dirty Ice Cream

Tom: C

Am
It's too much a mess and a stress

Dm F
To figure out and too much pressure on us, babe

G
Last night you took me to the mall

C
And then it started to get physical

Am
But we've only been on one date, baby

Dm
Yeah, I know it was fun till you start acting crazy

F
I don't really find it very cute or sexy

G C
When you call or incessantly, t-t-text me

Am
Don't be dirty ice cream, baby

G Dm
We could fall in love but it's too early to be calling me like that

G C
Stop calling, stop calling

Am G
It's not indecision, just my female intuition

Dm G
Telling me you can't be calling me like that

C
Stop calling, stop calling

Am Dm

I can't live with you, yes it's true or live without

F
The kinda guy that I'm about

G
You kiss me like a rockstar and

C
You always wanna hold my hand

Am
But we've only been on one date, baby

Dm
Yeah, I know it was fun till you start acting crazy

F
I don't really find it very cute or sexy

G C
When you call or incessantly, t-t-text me

Am
Don't be dirty ice cream, baby

G Dm
We could fall in love but it's too early to be calling me like that

G C
Stop calling, stop calling

Am G

Dm G

(Am G Dm G C)
Don't be, don't be (dirty ice cream)
