

# Lady Gaga - Do What You Want

Tom: A

I feel good, I walk alone But then I trip by myself and I fall.

I, I stand up, and then I'm okay But then you break that sht.

That makes me want to scream.

So do what u want What u want with my body.

Do what u want Don't stop, let's party.

Do what u want What u want with my body.

Do what u want What u want with my body.

Write what u want Say what u want bout me.

If you're wonderin' Know that I'm not sorry.

Do what you want What you want with my body.

What you want with my body.

Refrão:

U can't have my heart And u won't use my mind but.

Do what u want with my body Do what u want with my body

U can't stop my voice cuz u don't own my life but.

Do what u want with my body do what you want with my body

(Part. R. Kelly)

Early morning, longer nights

Time for private flights

Crazy schedule, fast life

I wouldn't trade it in

'Cause it's our life (Now let's slow it down)

I could be the drink in your cup

I could be the green in your blunt

Your "pusha" man, ya I got what you want

You want to escape all of the crazy sht

You're the Marilyn, I'm the president

I'd love to hear you sing, girl

Do what I want ,Do what I want with your body

Do what I want, Do what I want with your body

Back of the club, taking shots, getting naughty

No invitations, it's a private party

Do what I want Do what I want with your body

Do what I want Do what I want with your body

Ya we taking these haters and we roughin' 'em up

And we laying in the cut like we don't give a fck

Refrão:

U can't have my heart And u won't use my mind but.

Do what u want with my body Do what u want with my body

U can't stop my voice cuz u don't own my life but.

Do what u want with my body do what you want with my body

Ponte(Gaga):

Sometimes I'm scared I suppose ,If you ever let me go

I would fall apart ,If you break my heart

So just take my body And don't stop the party

Refrão:

U can't have my heart(Help me now!) And u won't use my mind but.

Do what u want with my body Do what u want with my body

U can't stop my voice cuz u don't own my life but.

Do what u want with my body do what you want with my body

FINAL:

Do what u want with me! What u want with my body!

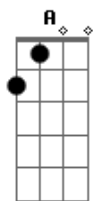

Do what u want with me!What u want with my body world!

Do what u want with me!What u want with my body!

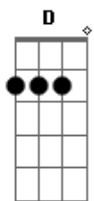

Do what u want with me!What u want with my body world!

(Help me now!)
