

Lady Gaga - Fever

Tom: **Db**

(intro) **Ab Db Ab Db**

Ab
There he goes
My baby walks so slow
Sexual tic-tac-toe
Yeah, I know we both know

Db
It isn't time
Ab
But would you be m-mine?

We'll never get too far
Just you, me and the...

In a ménage à trois sometimes
Db
Would he be mine?
Ab
Would he be mine?
Db
Would you be mine?

Ab
Oh baby, lights on
But your mom's not home
Gb **Db**
I'm sick of laying down alone
Ab
With this fever, fever yeah

My one and own
Gb **Db**
Now I'm gonna get you alone

Ab
Give you a fever, fever yeah
same chord progression as first verse

There it goes
You stole my soul and so
'Cause, sweetheart

They're occupied
Tell me you'll be mine

Let's get inside your car
Just you, me and the stars
Kind of ménage à trois
Sometimes

Would he be mine?
Would he be mine?
Could you be mine?

Oh baby, lights on
But your mom's not home
I'm sick of laying down alone
With this fever, fever yeah
I want it all
Now I'm gonna get you alone
Give you a fever, fever yeah

Ab **Db**
Yeah, yeah, yeah
Ab **Db**
Yeah, yeah, yeah
Ab **Db**
Yeah, yeah, yeah
Db
Yeah
