

# Lady Gaga - Fever

Tom: **Db**

(intro) **Ab Db Ab Db**

**Ab**

There he goes

My baby walks so slow

Sexual tic-tac-toe

Yeah, I know we both know

**Db**

It isn't time

**Ab**

But would you be m-mine?

We'll never get too far

Just you, me and the...

In a ménage à trois sometimes

**Db**

Would he be mine?

**Ab**

Would he be mine?

**Db**

Would you be mine?

**Ab**

Oh baby, lights on

But your mom's not home

**Gb**

I'm sick of laying down alone

**Db**

**Ab**

With this fever, fever yeah

My one and own

**Gb**

**Db**

Now I'm gonna get you alone

**Ab**

Give you a fever, fever yeah

same chord progression as first verse

There it goes

You stole my soul and so

'Cause, sweetheart

They're occupied

Tell me you'll be mine

Let's get inside your car

Just you, me and the stars

Kind of ménage à trois

Sometimes

Would he be mine?

Would he be mine?

Could you be mine?

Oh baby, lights on

But your mom's not home

I'm sick of laying down alone

With this fever, fever yeah

I want it all

Now I'm gonna get you alone

Give you a fever, fever yeah

**Ab Db**

Yeah, yeah, yeah

**Ab Db**

Yeah, yeah, yeah

**Ab Db**

Yeah, yeah, yeah

**Db**

Yeah

( **Ab Db Ab Db** )
