My baby walks so slow

Sexual tic-tac-toe

But would you be m-mine?

We'll never get too far

Just you, me and the...

In a ménage à trois sometimes

Db

Would you be mine?

Ab

Oh baby, lights on

But your mom's not home

Db

Ab

With this fever, fever yeah

My one and own

Db

Now I'm gonna get you alone

Ab

Give you a fever, fever yeah

same chord progression as first verse

There it goes

You stole my soul and so

'Cause, sweetheart

They're occupied

Tell me you'll be mine

Let's get inside your car

Just you, me and the stars

Kind of ménage à trois

Sometimes

Would he be mine?

Would he be mine?

Could you be mine?

Oh baby, lights on

But your mom's not home

I'm sick of laying down alone

With this fever, fever yeah

I want it all

Now I'm gonna get you alone

Give you a fever, fever yeah

Ab Db

Yeah, yeah, yeah

Ab Db

Yeah, yeah, yeah

Ab Db
