

Lady Gaga - Fun Tonight

tom:

G

B **Gb**
 Feeling something that I can't explain
Abm **E**
 Think it's a wound I still entertain
B **Gb**
 I'd do anything to numb the flame
Abm **E**
 I guess I'm just on fire these days

B **Gb** **Abm**
 I can't see straight, I can't see me
E **B**
 There's too much hurt caught in between
Gb **Abm**
 Wish I could be what I know I am
E
 This moments hijacked my plans

B **Gb** **Abm** **E**
 I'm feeling the way that I'm feeling, I'm feeling with you
B **Gb** **Abm** **E**
 I stare at the girl in the mirror, she talks to me too
B **Gb**
 Yeah, I can see it in your face, you don't think I've pulled
 my weight
Abm **E**
 Maybe it's time for us to say goodbye cause
B **Gb** **Abm** **E**
 I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight

B **Gb**
 You love the paparazzi, love the fame
Abm **E**
 Even though you know it causes me pain
B **Gb**
 I feel like I'm in a prison hell
Abm **E**

Stick my hands through the steels bars and yell

B **Gb** **Abm**
 What happens now, I'm not okay
E **B**
 And if I scream, you walk away
Gb **Abm**
 When I'm sad you just wanna play
E
 I've had enough, why do I stay?

B **Gb** **Abm** **E**
 I'm feeling the way that I'm feeling, I'm feeling with you
B **Gb** **Abm** **E**
 I stare at the girl in the mirror, she talks to me too
B **Gb**
 Yeah, I can see it in your face, you don't think I've pulled
 my weight
Abm **E**
 Maybe it's time for us to say goodbye cause
B **Gb** **Abm** **E**
 I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight

B **Gb** **Abm**
 Oh oh oh oh, oh oh oh oh
E
 Oh oh oh, I'm not having fun tonight
B **Gb** **Abm**
 Oh oh oh oh, oh oh oh oh
E
 Oh oh oh, I'm not having fun tonight

B **Gb**
 Yeah, I can see it in your face, you don't think I've pulled
 my weight
Abm **E**
 Maybe it's time for us to say goodbye cause
B **Gb** **Abm** **E**
 I'm feeling the way that I'm feeling, I'm feeling with you
