

# Lady Gaga - Fun Tonight

tom:

**G**

**B** **Gb**  
 Feeling something that I can't explain  
**Abm** **E**  
 Think it's a wound I still entertain  
**B** **Gb**  
 I'd do anything to numb the flame  
**Abm** **E**  
 I guess I'm just on fire these days

**B** **Gb** **Abm**  
 I can't see straight, I can't see me  
**E** **B**  
 There's too much hurt caught in between  
**Gb** **Abm**  
 Wish I could be what I know I am  
**E**  
 This moments hijacked my plans

**B** **Gb** **Abm** **E**  
 I'm feeling the way that I'm feeling, I'm feeling with you  
**B** **Gb** **Abm** **E**  
 I stare at the girl in the mirror, she talks to me too  
**B** **Gb**  
 Yeah, I can see it in your face, you don't think I've pulled  
 my weight  
**Abm** **E**  
 Maybe it's time for us to say goodbye cause  
**B** **Gb** **Abm** **E**  
 I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight

**B** **Gb**  
 You love the paparazzi, love the fame  
**Abm** **E**  
 Even though you know it causes me pain  
**B** **Gb**  
 I feel like I'm in a prison hell  
**Abm** **E**

Stick my hands through the steels bars and yell

**B** **Gb** **Abm**  
 What happens now, I'm not okay  
**E** **B**  
 And if I scream, you walk away  
**Gb** **Abm**  
 When I'm sad you just wanna play  
**E**  
 I've had enough, why do I stay?

**B** **Gb** **Abm** **E**  
 I'm feeling the way that I'm feeling, I'm feeling with you  
**B** **Gb** **Abm** **E**  
 I stare at the girl in the mirror, she talks to me too  
**B** **Gb**  
 Yeah, I can see it in your face, you don't think I've pulled  
 my weight  
**Abm** **E**  
 Maybe it's time for us to say goodbye cause  
**B** **Gb** **Abm** **E**  
 I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight

**B** **Gb** **Abm**  
 Oh oh oh oh, oh oh oh oh  
**E**  
 Oh oh oh, I'm not having fun tonight  
**B** **Gb** **Abm**  
 Oh oh oh oh, oh oh oh oh  
**E**  
 Oh oh oh, I'm not having fun tonight

**B** **Gb**  
 Yeah, I can see it in your face, you don't think I've pulled  
 my weight  
**Abm** **E**  
 Maybe it's time for us to say goodbye cause  
**B** **Gb** **Abm** **E**  
 I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight
