B **Gb**
Feeling something that I can't explain

Abm **E**
Think it's a wound I still entertain

I'd do anything to numb the flame

Abm **E**
I guess I'm just on fire these days

I can't see straight, I can't see me

E **B**
There's too much hurt caught in between

Gb **Abm**
Wish I could be what I know I am

E
This moments hijacked my plans

B **Gb** **Abm** **E**
I'm feeling the way that I'm feeling, I'm feeling with you

B **Gb** **Abm** **E**
I stare at the girl in the mirror, she talks to me too

B **Gb**
Yeah, I can see it in your face, you don't think I've pulled my weight

Abm **E**
Maybe it's time for us to say goodbye cause

B **Gb** **Abm** **E**
I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight

B **Gb**
You love the paparazzi, love the fame

Abm **E**
Even though you know it causes me pain

B **Gb**
I feel like I'm in a prison hell

Abm **E**

Stick my hands through the steels bars and yell

B **Gb** **Abm**
What happens now, I'm not okay

E **B**
And if I scream, you walk away

Gb **Abm**
When I'm sad you just wanna play

E
I've had enough, why do I stay?

B **Gb** **Abm** **E**
I'm feeling the way that I'm feeling, I'm feeling with you

B **Gb** **Abm** **E**
I stare at the girl in the mirror, she talks to me too

B **Gb**
Yeah, I can see it in your face, you don't think I've pulled my weight

Abm **E**
Maybe it's time for us to say goodbye cause

B **Gb** **Abm** **E**
I'm feeling the way that I'm feeling, I'm feeling with you

I'm not having fun tonight
