

Lady Gaga - Fun Tonight

```
tom:
                            Gb
 Feeling something that I can't explain
 Think it's a wound I still entertain
               Gb
 I'd do anything to numb the flame
 I guess I'm just on fire these days
 I can't see straight, I can't see me
          F
There's too much hurt caught in between
                 Abm
        Gb
Wish I could be what I know I am
This moments hijacked my plans
                                        Abm
I'm feeling the way that I'm feeling, I'm feeling with you
I stare at the girl in the mirror, she talks to me too
                      Gb
Yeah, I can see it in your face, you don't think I've pulled
Maybe it's time for us to say goodbye cause
                                       Ahm
I'm feeling the way that I'm feeling, I'm feeling with you
I'm not having fun tonight
 You love the paparazzi, love the fame
 Even though you know it causes me pain
                  Gb
```

Stick my hands through the steels bars and yell

```
Gb
 What happens now, I'm not okay
And if I scream, you walk away
       Gb
                  Abm
When I'm sad you just wanna play
       F
I've had enough, why do I stay?
                                       Abm
                                               Ε
I'm feeling the way that I'm feeling, I'm feeling with you
                                      Abm
I stare at the girl in the mirror, she talks to me too
                      Gb
Yeah, I can see it in your face, you don't think I've pulled
my weight
                     F
Abm
 Maybe it's time for us to say goodbye cause
I'm feeling the way that I'm feeling, I'm feeling with you
I'm not having fun tonight
 Oh oh oh, oh oh oh
Oh oh oh, I'm not having fun tonight
      Gb
  Oh oh oh, oh oh oh oh
    F
Oh oh, I'm not having fun tonight
Yeah, I can see it in your face, you don't think I've pulled
Abm
 Maybe it's time for us to say goodbye cause
I'm feeling the way that I'm feeling, I'm feeling with you
```
