

# Lady Gaga - Gypsy

Tom: C

C  
 Sometimes a story has no end,  
 G  
 Sometimes I think that we could just be friends.  
 F G  
 Cuz I'm a wandering man he said to me.

C  
 And what about our future plans?  
 G  
 Does this thing we have even made sense.  
 F G  
 When I got the whole world in front of me?

So I said,  
 Dm F C G Am  
 I don't wanna be alone forever, but I can be tonight,  
 Dm F C G Am  
 I don't wanna be alone forever But I love gypsy life .  
 Dm F C G Am  
 I don't wanna be alone forever Maybe we could see the world  
 together.  
 Dm F G Am F  
 C  
 I don't wanna be alone forever But I can be Tonight.  
 G Am F C  
 Tonight.

C  
 So I just packed my baggage and,  
 G  
 Said goodbye to family and friends.  
 F G  
 And took a road to nowhere on my own.

C  
 Like Dorothy on a yellow brick,  
 G  
 Hope my ruby shoes get me there quick.  
 F G  
 Cuz I left everyone I love at home.

And  
 Dm F C G Am  
 I don't wanna be alone forever, but I can be tonight,  
 Dm F C G Am  
 I don't wanna be alone forever But I love gypsy life .  
 Dm F C G Am  
 I don't wanna be alone forever Maybe we could see the world  
 together.  
 Dm F G Am F

C  
 I don't wanna be alone forever But I can be Tonight (Would you  
 go with me?).  
 G Am F C  
 Tonight (See the world with me?).

G Am  
 Cause I'm I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,  
 F C

 F C  
 I'm I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm.

Dm F C G Am  
 And then he asked me, he said 'Baby Why do we love each  
 other?'  
 Dm F C G Am  
 I said 'Honey, it's simple, it's the way that you love and  
 treat your mother'.  
 Dm F C G Am  
 Thought that I would be alone forever But I won't be tonight.  
 Dm F C G Am  
 I'm a man without a home, but I think with you I could spend  
 my life.  
 Dm F C G Am  
 And you'll be my little gypsy princess, Pack your backs and we  
 can chase the sunset!  
 Dm F C G Am  
 Bust the rear view and fire up the jets, it's you and me,  
 G Am F C  
 Baby, for life (if you go with me).  
 G Am F C  
 For life (see the world with me).

G Am
