

# Lady Gaga - I Don't Know What Love Is (feat. Bradley Cooper)

Tom: C  
Intro: Dm C

[Primeira Parte]

Don't know what love is  
If I can't have you here  
I don't know what love is  
I think that it's just fear (pausa)  
I don't know the tempo  
Of my heart's concerto  
It all seems like a dream  
It's not  
I know there's something real out there for me  
[Refrão]

I swear I've seen an angel  
And paradise in blue and every color I choose  
But I don't know what love is  
But I think it might be you  
If I had the courage  
I'd know just what to do  
Sometimes I have to crawl  
And everyday I fall tryin' just to stand by you  
[Refrão]
