

# Lady Gaga - Is That Alright?

Tom: Gb  
Intro: Gb Gb Ebm B

Life is so simple... A little boy, a little girl  
Laughing and loving, tryin' to figure out the world

It felt like summer, when I kissed you in the rain  
And I know your story, but tell me again

Nothing you say wouldn't interest me  
All of your words are like poems to me  
I would be honored if you would take me as I am

I want you... To look right in my eyes  
To tell me you love me, to be by my side  
I want you... at the end of my life

I wanna see your face when I fall with grace, at the moment I die  
Is that alright? Is that alright?

I hope you're still with me when I'm not quite myself  
And I pray that you'll lift me when you know I need help

It's a warm celebration of all of our years  
I dream of our story, of our fairy-tale

Family dinners and family trees,  
Teachin' the kids to say, "Thank you, " and, "Please"  
Knowin' if we stay together that things will be right

I want you... To look right in my eyes  
To tell me you love me, to be by my side  
I want you... at the end of my life  
I wanna see your face when I fall with grace, at the moment I die  
Is that alright? Is that alright?  
Is that alright?

## Acordes

The image shows six ukulele chord diagrams, each with a copyright notice for ukulele-chords.com:
