

Lady Gaga - Is That Alright?

Tom: Gb
Intro: Gb Gb Ebm B

Life is so simple... A little boy, a little girl
Laughing and loving, tryin' to figure out the world

It felt like summer, when I kissed you in the rain
And I know your story, but tell me again

Nothing you say wouldn't interest me
All of your words are like poems to me
I would be honored if you would take me as I am

I want you... To look right in my eyes
To tell me you love me, to be by my side
I want you... at the end of my life
I wanna see your face when I fall with grace, at the moment I die
Is that alright? Is that alright?

I hope you're still with me when I'm not quite myself
And I pray that you'll lift me when you know I need help

It's a warm celebration of all of our years
I dream of our story, of our fairy-tale

Family dinners and family trees,
Teachin' the kids to say, "Thank you, " and, "Please"
Knowin' if we stay together that things will be right

I want you... To look right in my eyes
To tell me you love me, to be by my side
I want you... at the end of my life
I wanna see your face when I fall with grace, at the moment I die
Is that alright? Is that alright?
Is that alright?

Acordes
