

# Lady Gaga - Living On The Radio

Tom: F

**F**  
I?ve got no friends  
**Am**  
I?m my own queen  
**Dm**  
But I?m living on, living on  
**C**  
the radio, That?s my dream

**F**  
Stone river eyes  
**Am**  
And a lonely heart  
**Dm**  
If I?m living on the radio  
**C**  
They won?t tear me apart

**Dm** **C**  
10 stems and roses on the tree  
**Dm**  
10 stems and lonely nights  
**C**  
But you?ve still got me  
**G**  
On the road  
**C**  
Road paved in gold

**F**  
Baby you must believe  
**Gm**  
Baby you must be free

**Bb**  
Keep living on, living on  
**C**  
the radio, That?s my dream

**F**  
Baby you?ve gotta friend  
**Gm**  
And so many little monsters, yeah  
**Bb**  
Keep living on, living on  
**C**  
the radio

**Bb**  
And when there?s nowhere to go  
**C**  
And your friends are gone  
**Dm** **Bb**  
And you only got your daddy to call

It will be all right, honey  
**Gm** **F** ( **F Gm F Gm F** )  
'Cause your songs are on the radio

**Bb** **C**  
'Cause you sure would miss, all the caviar  
**Dm** **Bb**  
The champagne and the sold out shows

But it will be all right honey  
**Gm** **F**  
'Cause your songs are on the radio

Fim: **F Gm F Gm C F**
