

# Lady Gaga - Music To My Eyes

Tom: G  
Intro: D D D D7

( G Em7 D )

[Primeira parte]

You're music to my eyes  
I had to listen just to find you  
I like for you to let me sing along  
Give you a rhythm you feel  
  
I wanna learn your every line  
I wanna fill your empty spaces  
I want to play the part to reach your heart  
Sing you a song that you feel

[Pré-Refrão]

Love let your music be mine  
Sing while I harmonize  
Let your melodies fly in my direction  
Take me to your paradise  
On a musical ride  
I'm in love with your music baby  
You're music to my eyes

Music To My Eyes

[Refrão]

[Segunda parte]

Your voice is quite a view  
I heard a song and then I saw you  
I learned the lyrics and knew you were mine  
Dance the horizon with you  
  
I wanna sing you a sunrise  
And be the dawn I know will move you  
I'd like to be the strings on your guitar  
Touch me and play what you feel

[Pré-Refrão]

Love let your music be mine  
Sing while I harmonize  
Let your melodies fly in my direction  
Take me to your paradise  
On a musical ride  
I'm in love with your music baby  
You're music to my eyes

[Refrão]
